BMC may be subject to additional fees and penalties if the BMC does not surrender the TSP Vehicle at the designated Drop-Off Location by the designated Lease Termination Date and Time. Such fees will start at the scheduled reservation time or at the time the TSP Vehicle is picked up, whichever is earlier, regardless of when the actual lease commences for any other purposes. If, however, the actual mileage exceeds the estimated mileage listed in the reservation details for any truck or tractor, then BMC shall be charged an additional \$0.08 per mile surcharge for all miles operated over the estimated mileage. BMC is required to take a photograph and upload such photograph to BMC's TSP account of the odometer immediately upon pick-up and drop-off (the "BMC Mileage Inspection Photographs"). BMC may be liable for additional mileage charges and subject to an additional charge (as listed in Section 11 below under the Subsection titled "Other Charges") if it fails to upload the BMC Mileage Inspection Photographs as required.

7. Fuel: BMC agrees to return the TSP Vehicle to the TSP Vehicle Drop-Off Location (or any other location Ryder or LP agrees to in writing in advance) with the same fuel and DEF level in the TSP Vehicle at the time of pick-up. 8. Party Responsible for Liability Insurance: BMC. Combined Single Limits \$1,000,000 per occurrence.

9. Party Responsible for Physical Damage: BMC shall be responsible for all loss or damage to the TSP Vehicle in accordance with the Master Lease. If BMC elects not to participate in the LDW (defined below), charges will not abate while the TSP Vehicle is being repaired for physical damage during the lease term or at expiration. At the expiration of a Short-Term TSP Lease, BMC shall physically (and by way of digital facilitation, via the TSP Platform) return the TSP Vehicle to the TSP Vehicle Drop-Off Location listed on this Short-Term TSP Lease in good and working order without physical damage (normal wear and tear excepted) and have completed and submitted all pre- and post-inspection procedures, including, but not limited to, all BMC Inspection Photographs and Claims procedures (as set forth in the TSP Documentation). If BMC fails to do so, BMC shall continue to be liable for all obligations under this Short-Term TSP Lease until it returns the TSP Vehicle to Ryder in accordance with this provision.

BMC Does Does Not elect to participate in the Limited Damage Waiver Program ("LDW") pursuant to Section 6 of the Master Lease with an applicable Retained Contractual Liability ("RCL") Amount as later defined and set forth in **Exhibit A - Limited Damage Waiver Terms and Conditions**, attached hereto and incorporated herein. The additional lease charge for electing to participate in the LDW is \$ ____ rate per day for vehicle type.

If BMC elects to participate in the LDW above, (i) the Limited Damage Waiver Terms and Conditions set forth in **Exhibit A**, attached hereto and incorporated herein, shall be made part of this Short Term Program Lease and (ii) it is a condition precedent to the LDW becoming effective that the BMC takes a photograph of all four sides of the TSP Vehicle and the dashboard and upload such photographs to the BMC's TSP account immediately upon pick-up and drop-off (the "TSPV LDW Inspection Photographs"). Additionally, BMC shall be subject to additional charge (as listed in Section 11 below under the Subsection titled "Other Charges") if it fails to upload the TSPV LDW Inspection Photographs as required.

10. In the Event of a Breakdown, Accident, Theft or Any Other Loss, Damage or Claim: As a condition precedent to recovery, the Participating Party must (i) follow all pre- and post-trip inspection procedures, including the documentation of all pre and post-trip damage(s), if any, and procedures for providing Ryder with the completed inspection report, as required; (ii) immediately report any TSP Vehicle breakdown, accident, theft or any other loss, damage or claim by contacting the TSP administrator at the customer service (including 24/7 roadside assistance) phone number listed at the top of this Short-Term Vehicle Lease; (iii) promptly (within 24 hours) complete a COOP by Ryder TSP accident report form and provide Ryder with a detailed inventory of all cargo that was in the TSP Vehicle; and (iv) submit a written claim to Ryder within fifteen (15) days after the incident. Any lawsuit to recover for loss or damage to the TSP Vehicle must be commenced within one (1) year from the incident. The Participating Party agrees that Ryder shall have the right but not the responsibility, at its option, to conduct, arrange or assist in coordinating accident or any other investigations and administer, facilitate or assist in coordinating repairs, claims handling and settlements and the Participating Party shall adhere to and accept Ryder's conclusions and decisions. Ryder may provide access to its 24/7 roadside assistance call center. Any incident requests may be performed by Ryder, at Ryder's sole discretion, and at BMC's expense (including towing, tire replacement and associated service charges) upon BMC's written request to Ryder. The cost of tire replacement (including tire and associated service charge) shall not be covered by the 24/7 roadside assistance option. 24/7 roadside assistance does not include the cost of performing any repairs to the TSP Vehicle. Ryder may at its sole discretion, at any time and without prior notice discontinue the 24/7 roadside assistance call center access or immediately terminate BMC's authorization to use 24/7 roadside assistance. In the event of a mechanical breakdown (with the exception of any mechanical breakdown caused by BMC's negligence), BMC shall not be responsible for the costs necessary to tow and repair the TSP Vehicle.

11. Other:

EXHIBIT A

LIMITED DAMAGE WAIVER TERMS AND CONDITIONS

The Limited Damage Waiver Program (“LDW”) is not insurance and is optional.

- A.** If at the start of the rental, BMC does not elect the LDW as explained in the TSP Software and on the Short-Term TSP Lease, then BMC shall furnish Ryder with evidence of physical damage insurance covering the TSP Vehicle for loss or damage with Ryder endorsed as a loss payee. If BMC fails to procure or maintain physical damage insurance in accordance with the requirements of the TSP documentation, then upon written notice, Ryder may but is not required to immediately extend LDW in accordance with the TSP documentation and charge BMC for such services. Ryder reserves the right (at its sole discretion) to suspend the BMC from its existing (and possibly its future) participation in the LDW. Ryder may discontinue LDW or change the criteria for participation in LDW at any time.
- B.** If BMC elects the LDW as explained in the TSP Software and on the Short-Term TSP Lease, then Ryder agrees to waive BMC’s liability for theft or and/or physical damage to the TSP Vehicle (less the amount of the applicable RCL Amount, as later defined) to the extent set forth in the Short-Term TSP Lease and this **Exhibit A**.
- C.** As a condition precedent to the LDW becoming effective, BMC must do the following:
1. Accept and pay the increased lease charge for the LDW (where available);
 2. After an accident, pay the full corresponding RCL Standard Amount or RCL Extraordinary Damage Amount (the “RCL Amount(s)”) (whichever is applicable as specified in Section D of this **Exhibit A**) when due and owing;
 3. Take a photograph of all four sides of the TSP Vehicle and the dashboard and upload photographs to BMC’s TSP Account immediately upon pick-up and drop-off of the TSP Vehicle; and
 4. Ensure full compliance with all TSP Documentation.
- D. RCL Amounts:** If BMC elects to participate in the LDW, BMC is responsible for the following applicable RCL Amount per incident. If the BMC fails to pay the applicable RCL Amount when due and owing, then BMC shall be responsible for the full repair costs for loss and damage to the TSP Vehicle. Provided that such RCL Amount has been paid in full, in the event of a theft of the TSP Vehicle or a total loss, BMC’s obligation to pay Ryder the TSP Vehicle’s actual cash value pursuant to Section 8 Damage Responsibility of the BMC-Master Lease shall be waived:
1. **RCL Standard Amount.** BMC is only responsible for loss and damage to the TSP Vehicle in an amount equal to \$1,500.00 (the, “RCL Standard Amount”) or in a higher amount for physical damages not covered under the RCL Standard Amount as specified in Section D2 below.
 2. **RCL Extraordinary Damage Amount.** The RCL Standard Amount does not include loss or damage as a result of or related to any of the below listed physical damages (the “LDW Higher Extraordinary Damages”), which shall be subject to a higher contractual liability amount of \$3,000.00 (the “RCL Extraordinary Damage Amount”):
 - Collision with an overhead structure;
 - To tapes, records, discs or similar audio, visual or data electronic devices designed for use with audio, visual or data electronic equipment; or
 - To any electronic equipment contained in or attached to the TSP Vehicle.
- E.** The LDW does not extend to or include loss or damage as a result of or related to any of the following, which shall be the full responsibility of BMC:
- Theft, if the TSP Vehicle is not reasonably secured, which includes but is not limited to locked doors, closed windows, keys removed, and located at a secured building, truck stop, drop lot, terminal, warehouse or storage facility;
 - Intentional loss or damage;
 - Insecure or improper loading or overloading;
 - Misuse or abuse of the TSP Vehicle, including , but not limited to fuel mixing by adding the wrong fuels to the tank of the TSP Vehicle (e.g. gas in a diesel engine and vice versa);
 - Use of the TSP Vehicle when someone other than the BMC and/or the authorized driver is operating or in possession of the TSP Vehicle;

- Wear and tear, freezing, mechanical or electrical breakdown;
- Blowouts, punctures or other road damage to tires unless caused by a loss that is otherwise subject to coverage;
- Any device designated or used to detect speed;
- A breach of any terms or conditions contained in the TSP documents;
- Operating the TSP Vehicle in violation of any statute, law, regulation or ordinance;
- Resulting from the use of the TSP Vehicle while under the influence of alcohol, drugs or any controlled substances;
- Caused by towing or pushing the TSP Vehicle without Ryder's permission and consent; or
- Injury to persons or third-party property other than the TSP Vehicle.

F. Other Limitations. For the avoidance of doubt, regardless of the type of incident or RCL Amount corresponding to such incident, the LDW does not apply to towing costs greater than \$5,000 per occurrence (the "Towing Total Amount") and storage costs greater than \$10,000 per occurrence (the "Storage Total Amount"). BMC is responsible for paying or reimbursing Ryder for any towing and storage related costs greater than the Towing Total Amount and/or the Storage Total Amount when due and owing and payment or reimbursement of such costs is a condition.
